

STRATEGY PLANNERS . . . Guiding Southwest area residents in a fight against respiratory diseases are, from left, Mrs. Rose Schlichter, staff member of the Tuberculosis and Health Association of Los Angeles County and newly appointed area program consultant to the association's reactivated advisory committee; Dr. L. S. George, TB Association board member and chairman of the Regional Activities Committee; Bill Soady, past chairman of the area committee, and Chairman Charles Cederlof, vice president and manager of Glendale Federal Savings and Loan. The group will institute a program to educate residents about such lung diseases as emphysema, bronchitis and asthma as well as tuberculosis.

Adult Aides To Be Hired For Classes

Teachers conducting pre-school and adult classes in the Los Angeles City Schools community action program get extra help from adult aides under a new program approved by the Board of Education.

Ninety assistants will help teachers in the pre-school, gerontology, home management, and parent education pre-school programs.

The aides will receive \$1.89 per hour and will be hired by the Economic and Youth Opportunities Agency of Greater Los Angeles as part of the \$360,000 program.

Aides will be hired in this area for pre-school classes at Budlong Avenue School, 5940 S. Budlong Ave., and for a home management class at Normont Terrace, 25538 Double Ave., Harbor City.

Area Scout Council Seeks 55,555 Youths

"Follow the Rugged Road," theme of this year's fall membership campaign, has brought many new boys into Scouting, according to Scout Council Commissioner William F. Stockwell.

He said that the goal of the Los Angeles Area Council is to "reach and recruit" 55,555 boys by Dec. 31.

Last year, 52,415 boys were registered as Cub Scouts, Boy Scouts or Explorers in the Council — a new record. The figure was more than 5 per cent above the previous year's membership.

LINK WARD, assistant council commissioner in charge of membership, reminded unit leaders that they have been mailed a flyer detailing the Council incentive program for membership. Any leader who did not receive his membership flyer should call or write the Council office (DUNKIRK 5-

3461), ask for the membership department, and a flyer will be mailed.

Ward said the membership of the Boy Scouts of America across the country has reached a record high of 5,585,700.

"ALTHOUGH THIS was an increase, there are still many boys without the opportunity to become Scouts," he said. "Both nationally, and in our Los Angeles Area Council, we must attain new levels of vision, determination, and immediacy," Ward said, "if we are to bring the values of Scouting to the boys who have not yet been reached."

Ward noted that Southern California's expanding population, plus the increased desire of boys to take part in the adventuresome program of Scouting, has also created a need for outstanding men to serve as volunteer leaders for these boys.

AIR MEDAL . . . Major Arthur W. Day, right, whose wife, Jane, is the daughter of Mr. and Mrs. C. E. Hamer of Redondo Beach, is congratulated upon being decorated with the U.S. Air Force Commendation Medal at Shaw AFB, S.C. He was awarded the medal for meritorious service as chief of the flight safety division at Shaw.
